KEYNOTE SPEAKER

WOW! From minute 1 the entire room was glued to her every word! Brilliant anecdotes, amazing domain knowledge with an energy in the room that kept everyone going.

Jim Williams, VP MuleSoft, Salesforce

As a keynote speaker Sharon's warmth, energy and humour enable her to engage quickly and effectively with the audience. She has the gift of distilling what could be complex concepts and information into accessible, practical strategies.

Carole Field, Director International HRD Forum, CEB

Sharon joined us as a keynote speaker at our annual 'Senior Women in Multinationals' Retreat. Her session perfectly captured the tone of the event and left our delegates inspired and empowered by both the messages and tools she shared.

Kerstin Wahlqvist, Director Women's Forum, Gartner

In just 60 minutes, Sharon managed to share valuable insights and to engage with our alumni audience using interactive tools to deliver a session on how to elevate your executive presence and lead with more impact. Sharon has many attributes that make her great to work with, in addition to her broad expertise, her authentic nature and great sense of humour set her apart from many of the other individuals working in this space.

Femke Bosman, Alumni Engagement Manager, Monash University
